SUMMARY

Web Developer with extensive knowledge in retail, marketing, and sales management. Love solving logic-based problems and adapting to new challenges. Worldly travels have allowed for understanding of different lifestyles and demands. Looking to execute these experiences and talents in the tech industry. More experienced with front-end development but willing and exceptionally able to perform back-end duties.

SKILLS

- HTML
- CSS
- JavaScript
- RESTful APIs

- React
- MySQL
- MongoDB
- Node.js

EXPERIENCE

Freelance Web Developer / The University of Texas - Austin, TX   *07/2017 - Current*

- Develop high quality applications and websites by integrating new technologies that enhance user experience.
- Create prototypes of applications based on specifications from team for testing to get feedback on designs.
- Work jointly with team members in an agile environment to conceptualize, design, and build applications.

Independent Sales Representative / Capitol Wright Distributing - Austin, TX   *06/2014 - Current*

- Responsible for servicing over 50 different accounts and supporting over 1000 different brands/SKUs.
- Enhance brand visibility via displays, tastings, and other off premise marketing tactics.
- Manage proper rotation and constantly observe product dates to ensure fresh product quality.

Assistant Manager / Walgreens - Fort Wayne, IN   *11/2010 - 06/2014*

- Trained, developed, and empowered employees to allow for a more efficient and effective business environment.
- Merchandised products to market both high-demand goods with high-margin goods and maximize revenues.
